Celebrating the Pacific, Shaping its Future

The 'hidden' health danger of climate change

A Public Lecture by the Director-General of the Pacific Community

DR COLIN TUKUITONGA

The topic:

Dr Tukuitonga will discuss the growing impact of climate change on health in the Pacific region, highlighting the interconnectedness of these two issues, and the importance of integrating health issues into climate change adaptation policy.

Where:

Japan-Pacific ICT multi-purpose theatre, Laucala campus, Suva,
The University of the South Pacific, Fiji

When:

Thursday, 23 August 2018, at 5:00 pm

Light refreshments will be provided

*This public lecture will be video recorded and posted on the Pacific Community – Pacific Way
YouTube channel: <https://www.youtube.com/spcnc1>*
