

Pacific Heads of Nursing & Midwifery Meeting

Réunion des directeurs des soins infirmiers et obstétricaux du Pacifique

THIRD PACIFIC HEADS OF NURSING AND MIDWIFERY (PHONM) MEETING

THEME: A VOICE TO LEAD: INVEST IN NURSING AND RESPECT RIGHTS TO SECURE GLOBAL HEALTH

Meeting Objectives

The PHoNM meeting is held in acknowledgement of the importance of nursing in the Pacific. It provides a platform to influence and drive nursing priorities and policies in the region and provides executive level oversight for regional nursing functions in the Pacific. The theme of this meeting is aligned to the 2022 International Nurses Day and endorsed by the International Council of Nursing

The main objective of the meeting is to review, discuss and make recommendations to the Pacific Heads of Health on the following matters

- Clinical governance
- Health Emergencies
- Nursing Education
- Nursing Regulations
- Nursing Workforce
- Regional Nursing Updates
- Universal Health Coverage and Primary Care

The key meeting outcomes will be presented to the upcoming Pacific Heads of Health Meetings
